

Subscribe to Fire Times now!

Included with your subscription, free of charge, are the wall hanging 1000mm x 690mm full colour fire sector maps published during the year of your paid for subscription.

Published six times a year Fire Times is regarded as the leading trade and technical magazine covering every aspect of rescue and fire fighting throughout the UK and mainland Europe. Editorial covers both public and private sectors with news, contracts won, product information and people news as well as features on the leading topics faced in this sector.

Fire Times was founded in 1998 and editorial covers the United Kingdom and Ireland fire fighting industry with emphasis on the very latest equipment and materials. Editorial features include PPE, fire fighting foams, aviation, communication, vehicles, rural rescues and extrication. If you are involved at any level in today's fire & rescue arena then Fire Times is required reading.
